## Multilingualism and Multiculturalism - Identity and Vitality Considerations

Prof. Dr. Itesh Sachdev

Emeritus Professor  
Department of Linguistics  
SOAS, University of London

May 3rd, 2016, 4 to 6 pm (c.t.)

Professional School of Education (PSE)

Hausvogteiplatz 5-7 | Room 0.007

Issues of identity and vitality suffuse phenomena associated with multilingualism and multiculturalism. This presentation covers various individual, interpersonal and societal aspects, beginning with a discussion of the relationship between language and identity. A new concept - the vitality of urban multilingualism (VUM) – is presented and explored with data from cities in Europe (Madrid, London, Hamburg, etc.), Australia (Melbourne) and Canada (Montreal, Toronto, etc.).
